

Mandel's voice is needed

Highland Park/ As a resident of Highland Park, I feel fortunate to have Steve Mandel as a City Council member.

Steve is willing to do what is right for the citizens, even when it means taking a stand against something that is considered "popular" among the Council, whether it involves land use regulations, environmental issues, taxes, or other controversial topics.

On April 5, I will be voting for Steve Mandel to serve another term on our City Council. Let's make sure we keep Steve Mandel's independent voice heard in Highland Park.

Mandel has done tremendous job

Highland Park/ During the 12 years that Steve Mandel has served on the City Council, he has worked hard and done a tremendous job for all Highland Park residents.

Over the years, I have come to know Steve as a very "reachable" Councilman whether I have a question regarding city-wide issues or a localized neighborhood concern. Steve always takes the time to look into the situation and respond with a prompt and personal answer.

Steve's e-mailed newsletters are informative and to the point, while at the same time it seems as if you are chatting over a cup of coffee, which I find refreshing.

On April 5, I will be voting for Steve Mandel to serve another term on our City Council. I encourage you to do so also.
